

Kids' Day +

This is an opportunity to glorify God by sharing the love of God and the word of God with children at CBC and to encourage fellowship and lifelong friendships.

We intend to provide a 3-hour session that incorporates the value of God's word, prayer, encouragement, scripture memory, creativity, and fun.

Similar to a day at VBS.

We'd like the High School Group to be the lead for the main session including the music, skit, ice breaker, testimony, devotional, and audio / visual.

Where might you serve?

If you come to serve, we'd like you to fill at least 2 roles:
