A typical day...

Each day will include a Bible lesson with an emphasis on the Psalms and what being anchored in Christ looks like. We will have team games, crafts, music and fun free time! We hope to create a true "camp" feel with high school counselors while adults are also supervising. At Thomas Lake there is swimming, rope swing, diving board, a floating barge and boats. Pioneer pool has a deep and shallow end for swimming, a playground and a large grass area for games. At the Pfaff Pond we have boats, slip n' slide, zip line and jumping dock with of course swimming. Each day we will also provide a fun treat for the kids (ice-cream sandwiches, popsicles etc)
