COVID-19 related

- We require each participant, adult and student, check their temperature. This can happen prior to arrival or on site if one forgets to do so at home. If someone has a temperature of 100.4° or greater, they need to stay home.
- If someone has symptoms of COVID-19, they need to stay home as well.
- We will keep a record of who attends Kids' Day.
- We will aim for good sanitation practices such as hand sanitizer, wiping down of commonly used items, and encourage hand washing.
- We will keep all of our activities outside.
- We will aim for distancing.
- The CDC categorizes activities such as Day Camps, which this fits within, in various levels of risk. This carries with it the 3rd level of risk which is described as "Even Higher Risk." The way they describe this risk level is this: "Campers mix between groups and do not remain spaced apart. All campers are from the local geographic area (e.g., community, town, city, or county)."
- We will group our kids in their grade level pairs: pre k / k, 1st / 2nd, 3rd / 4th, 5th / 6th.
- Kids will need to bring their own snack and water bottle with their name on it.

If you have any questions about this plan, please contact Jason Wood in the church office.
