Calvary Bible Church

Student Ministry Intern Application

January 11, 2022

Grace to you!

We hope and trust that this letter finds you well. We are planning for the summer of 2022. We look forward to what God has in store for us here at Calvary Bible Church and for you also. It could be that they are one and the same through an internship at CBC. We are offering two internships: Student Ministries only and a split internship between Children and Student Ministries.

Would you prayerfully consider applying for an internship with us this summer? We look for young men and women dedicated to the Lord with a willingness to serve God. We look for humble yet competent; relationally minded yet organized; kind, compassionate, joyful individuals who want to be a part of God's kingdom work here in Grass Valley.

The internship would require a full-time commitment for the full summer. You would benefit through Bible study, training and input from Pastor Jason Wood and Director of Children's Ministries, input from the various volunteer staff, building lasting relationships with staff and students, and hopefully a better understanding of your giftedness from God. We would study biblical truths together and seek to put them into practice in our lives and ministry. You would not only be with us at all youth activities and children's activities, but you would gain experience in discipling a group of people in various settings such as church services, activities, Bible studies, and a short-term mission trip or conference.

Whether you pursue a vocation in full-time ministry or not, this experience could prove valuable in your walk with our Lord. If you sense God leading you to apply, please do so by **March 15**. The interns are paid a small salary and housing is available. We are looking for applicants 1 year out of high school or older. We know everyone needs to make plans for summer so we will decide on our interns by **April 1**. Please contact us at anytime if you would like to discuss the internship even before you apply. You can reach us at 530-273-1343 or studentministry@gvcbc.org.

May God receive the glory in whatever you do, both now and in the seasons to come.

Grace be with you-

Jason Wood
Pastor of Students & Families
