
CBC Youth Group Ministry Roles

TEAM / NICHE / GIFTING

In our High School group we are committed to God and His Word and desire to glorify Him in all we do. We celebrate and teach the life-changing message of Jesus Christ because we believe an authentic encounter and life with the living God is the best way to live. A life with God gives us an incomparable joy that we want to share. Our goal is that every student is welcomed, known, and loved in our group and that they learn to develop their personal relationship with Christ.

*For from Him and through Him and to Him are all things. To Him be glory forever. Amen. -
Romans 11:36*

What Do I Mean By Team / Niche / Gifting?

Team - I view us as a team as a whole. We each have differing gifts, time availabilities, etc. but we work toward the same goals. We have much more wisdom together than I can dream to have on my own.

Niche - area of focus in ministry

I'd like to each staff member to be broken down into different niches (teams, groups, whatever you want to call them) based on the aspect of the ministry they are interested in, committed to, and available for. In your niche, I hope for more than participation. I hope for big dreams and small improvements, implementation and directing, evaluation and correction.

We keep in mind our Mission Statement:

"To glorify God by making disciples of all the nations."

1 Corinthians 10:31 (ESV)³¹ So, whether you eat or drink, or whatever you do, do all to the glory of God.

Isaiah 43:7 (ESV) ⁷ everyone who is called by my name, whom I created for my glory, whom I formed and made."

Matthew 28:19–20 (ESV) ¹⁹ Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, ²⁰ teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age."

Within our niche we remember the philosophy:

That we want to glorify God and this is Worship. Our Worship is expressed in multifaceted ways including Outreach, Growth, Ministry / Service, and Discipleship. We strive for our primary purpose in all we do. We also consider that we love Jesus Christ and love people in the process. We also desire that every student is welcomed, known, and loved and that they walk with God.

I hope that we create smaller teams around these niches to dream and develop the ministry together. I also hope that we support others in their niche. ie: Just because Sunday Morning may be my niche, that doesn't mean that I don't go to Santa Cruz. I still go to the other areas that I can, but my primary focus is on Sunday Morning

Giftng - How can I contribute in my niche and to the team?

God gifted each one of us individually. We need to seek to use our gifts and explore our gifts in serving Christ. I'm hoping that we can choose our niches and use our gifts in those areas.
